

Head HR-Admin Speak

First of all, I wish Happy new years to all APNRL family members. We have an entire new year 365 days ahead filling with new opportunities, new energy and new hopes. Well, “Nav Urja” is the right medium to connect with you all members of APNRL family to share views and thoughts. I must say the world has changed drastically in the last two years and what we have witnessed weathered and passed through has transformed our perspective! We must believe in change and accept the change happily in our life because change is the nature’s law.

Our leadership teams and support functions worked round the clock to ensure our employees and associates remained safe, connected, informed and motivated.

We will continue to innovate and drive success throughout our ecosystem today tomorrow and beyond. I am so glad that last month company had organized social awareness programmes for employees and contractor agencies for the betterment of their livelihood. APNRL had commemorated National Energy Conservation week organized several health checkup camps.

Employees tend to perform better when they know that there is a sense of meaning behind efforts at their workplace. Acknowledgement of their hard work can go a long way in motivating and boosting their productivity.

The success mantra of any organization is teamwork and I must say APNRL believe in working in Team so let this good habit continue and keep on this spree on and on.

Thank you & all the very best!

S K Parvez
